

**GUARANTEED ID™ from RIPROK is now  
LENDER APPROVED!!!**

We would like to thank all of our agents and their dealers for helping us get our first LENDER APPROVALS. We knew once we had one, others would follow. Now we have multiple lenders for your dealers to use.

As more competitors enter the market, the awareness and need for Identity Theft solutions continues to grow. You now have the only Fully Insured and Lender Approved Identity Theft program available to automotive retailers. This is a HUGE advantage as dealers are looking to find new, profitable products to add to their F&I menus.

In addition, Guaranteed ID™ is the *ONLY* Identity Theft program that provides a comprehensive "Red Flag Rules" solution. All at NO ADDITIONAL CHARGE to your agency or dealers.

**RipRok "RED FLAG RULES" Coverage Program Highlights:**
